

# CREATE YOUR OWN MERMAID TAIL

If you're looking to make a splash with your creativity, the paper towel roll mermaid tail craft is just what you need! There's no end to how much fun it can be customizing these mystical sea creatures. We've put together some samples of our favorite patterns for inspiration – from shimmering scales to stripes, diamonds and polka dots! But don't forget that your mermaid tail is all about what YOU love. Show us all why your own gorgeous creation stands out from the tide on Instagram @luckymarysunshine.
